NOTES TO THE FINANCIAL STATEMENTS
FOR THE HALF-YEAR ENDED 31 DECEMBER 2019

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

Viento Group Limited (the "Company") is a company incorporated and domiciled in Australia whose shares were publicly traded on the Australian Securities Exchange (ASX). Following a period of 3 years' suspension of trading, the Company was removed from the official list of the ASX on 23 April 2018. The address of the Company's registered office is Level 11, 153 Walker Street, North Sydney, NSW, 2060. The Company is a for-profit entity for financial reporting purposes under Australian Accounting Standards.

Basis of Preparation

These general purpose interim financial statements for the half-year reporting period ended 31 December 2019 have been prepared in accordance with the requirements of the Corporations Act 2001 and Australian Accounting Standard AASB 134 Interim Financial Reporting.

This interim financial report is intended to provide users with an update on the latest annual financial statements of Viento Group Limited. As such, it does not contain information that represents relatively insignificant changes occurring during the half-year within the Company. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of the Company for the year ended 30 June 2019, together with any public announcements made during the following half-year.

Accounting Policies

The same accounting policies and methods of computation have been followed in the interim financial report as were applied in the most recent annual financial statements, except in relation to the matters discussed below.

VIENTO GROUP LIMITED ABN 79 000 714 054
NOTES TO THE FINANCIAL STATEMENTS
FOR THE HALF-YEAR ENDED 31 DECEMBER 2019

STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (cont)

New and Revised Accounting Requirements Applicable to the Current Half-year Reporting Period

The Company has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board that are mandatory for the current reporting period.

The adoption of these new and revised Standards and Interpretations has not resulted in a significant or material change to the Company's accounting policies.

Going Concern

The Directors have prepared the financial report on the going concern basis which assumes the continuity of normal business activities and the realisation of assets and extinguishment of liabilities in the ordinary course of business.

The Directors are satisfied that sufficient funds are available to enable the Company to fund its ongoing corporate and administrative expenses.

However, when a new business opportunity is presented and selected by the Directors of the Company, additional funding will need to be obtained.

Should the Company be unable to obtain additional debt and/or equity funding to successfully execute on a new business opportunity, there is material uncertainty as to whether the Company will be able to continue as a going concern and therefore, whether the Company will realise its assets and discharge its liabilities in the normal course of business.

The financial report does not include any adjustments relating to the recoverability and classification of recorded asset amounts or to the amounts and classification of liabilities that might be necessary should the Company not continue as a going concern.

Independent Auditor's Review Report to the members of Viento Group Limited

We have reviewed the accompanying half-year financial report of Viento Group Limited (the "Company"), which comprises the condensed statement of financial position as at 31 December 2019, the condensed statement of profit or loss and other comprehensive income, the condensed statement of cash flows and the condensed statement of changes in equity for the half-year ended on that date, selected explanatory notes and, the directors' declaration as set out on pages 4 to 11.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagement ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including; giving a true and fair view of the Company's financial position as at 31 December 2019 and its performance for the half-year ended on that date; and complying with Accounting Standard 134 *Interim Financial Reporting* and the *Corporations Regulation 2001*. As the auditor of Viento Group Limited, ASRE2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Auditor's Independence Declaration

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Viento Group Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report for Viento Group Limited is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the company's financial position as at 31 December 2019 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standards AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Material Uncertainty Regarding Continuation as a Going Concern

We draw attention to Note 1 in the half-year financial report which indicates the ability of the Company to continue as a going concern is dependent upon its ability to raise additional debt and/or equity funding to complete the matters required for the Company to successfully execute on a new business opportunity. This condition, along with other matters as set forth in Note 1, indicate the existence of a material uncertainty which may cast significant doubt about the ability of the Company to continue as a going concern and therefore, whether it will realise its assets and extinguish its liabilities in the ordinary course of business. Our conclusion is not modified in respect of this matter.
