¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

Approval of capital expenditure and other business transactions within predetermined limits set by the Board.

Nomination of Directors

The Remuneration & Nomination Committee is responsible for reviewing the membership of the Board and the nomination of Directors to the Board. Any review or recommendation of the Remuneration & Nomination Committee is tabled for consideration by the full Board. The Remuneration & Nomination Committee undertakes appropriate checks before a candidate is appointed or put forward to the full Board and shareholders for election as a Director.

Following recommendation of an appointment by the Board, the Company will include all material information in its possession relevant to a decision on whether or not shareholders should elect or re-elect a Director in the relevant Notice of Meeting. Information relating to each of the current Directors is also provided in the Company's Annual Report and its Corporate Governance Statement.

Further detail on the roles and responsibilities of the Remuneration & Nomination Committee is set out in the Remuneration & Nomination Committee Charter which is available on the Company's website.

Written agreements

The Company has entered into written agreements with each Director and member of key management personnel. These agreements are not subject to a fixed term and may be terminated by the Company, Director or member of key management personnel subject to providing notice in accordance with prescribed timeframes. Notice periods applicable to employment arrangements for key management personnel vary between 3 to 12 months.

AWN HOLDINGS LIMITED

ACN 103 472 751

- Mentoring and support networks for women who return from maternity leave; and
- Training and awareness programs to foster a corporate culture that embraces and values diversity.

Due to the current size, nature, and scale of the Company's activities the Board has not yet set targets regarding gender diversity. As the size and scale of the Company grows the Board will set and aim to achieve gender diversity objectives for director and senior executive positions as they become vacant and appropriately qualified candidates become available.

Performance evaluation

The Board (excluding the Executive Chairman) was responsible for approving the performance objectives and measures for the CEO and assessing whether these objectives had been satisfied by the performance of the CEO during the relevant period and in accordance with agreed terms of engagement. A performance review of the CEO was conducted during the 2021 financial year.

The CEO was responsible for approving the performance objectives and measures of other senior executives in consultation with the Remuneration & Nomination Committee. Performance reviews of other key management personnel were conducted during the 2021 financial year.

The Board has adopted an on-going, self-evaluation process to measure its own performance and the performance of its committees.

The review process takes into consideration all of the Board's key areas of responsibility and accountability and is based on an amalgamation of factors including capability, skill levels, understanding of industry complexities, risks and challenges, and value adding contributions to the overall management of the business.

The Executive Chairman meets periodically with individual Directors to discuss the performance of the Board. Furthermore, an evaluation is conducted by the Executive Chairman of the contribution of Directors retiring by rotation prior to their nomination for re-election.

The Board believes the current approach remains appropriate given its size and the nature of the Company's operations. The formal evaluation of the performance of the full Board for the year ended 30 June 2021 has been delayed due to COVID-19 lockdowns in Australia but is expected to be completed by 31 December 2021.

Principle 3 – Instil a culture of acting lawfully, ethically and responsibly

Our Core Values

At AWN Holdings, we value humility, solidarity and tenacity. These guide our approach to how we invest, how we operate and how we recruit talent.

Humility means that we acknowledge that we do not know it all. The world of business is one based on imperfect information and rapidly changing sets of facts. Because of this, we consider hubris and dogma as dangerous. Instead, we are lifelong learners who seek to constantly grow our knowledge and enrich our experience.

Solidarity means that as a team, we have each other's back. We know the power of a cohesive team, united and motivated by a common purpose. By fostering a transparent, collaborative and communicative culture, we ensure that knowledge, insights and experiences are shared. We work closely with one another, to help our team-mates succeed (and our investors gain).

Tenacity means that we never give up, ever. We know the realities of scaling up enterprises...it's a non-linear journey of ups and downs. Persistence is the ultimate determinant of success. Our intention is to grow companies so that they last, building perseverance into their DNA and resilience into their modus operandi.

Code of Conduct

The Company has adopted a Code of Conduct Policy which is available on the Company's website.

Anti-bribery and corruption

From time to time, the Company may release reports to the market, such as investor presentations, Directors' Reports and this Corporate Governance Statement, that are neither audited nor reviewed by the Company's External Auditor. The Company ensures that all such reports have been through a review process to verify the integrity of their content. This review process, depending on the nature of the report, typically includes an initial review by the CEO and CFO, a secondary review by other Company executives independent of the preparation of the report, a

Principle 7 – Recognise and manage risk

The Company's Board, via the Audit & Risk Committee, is responsible for ensuring there are effective policies in place in relation to risk management, compliance and internal control systems.

The CEO is responsible for preparing the Company's risk profile and establishing appropriate systems and controls to minimise risk.

The CEO reports on the risk profile and the effectiveness of these systems and controls to the Board of Directors at least annually.

All significant investment proposals are subject to a detailed, multi-stage review and sign-off by an internal Investment Committee.

The External Auditors are requested to report any internal control issues that are identified during review of the Group's half-year results and the audit of the full year results.

The CEO and CFO confirm annually in writing to the Board that the integrity of the financial statements is based on a sound system of risk management including internal compliance and control systems.

The Board did not specifically review the Company's risk management framework for the year ended 30 June 2021 given the update provided by the CEO and CFO and on the basis that the External Auditors did not identify any internal control issues during the period.

The Board considers that the Company's risk management including internal compliance and control systems is operating efficiently and effectively in all material aspects.

The Company does not currently have an internal audit function due to the relative nature and scale of its operations. The costs of establishing such a function are deemed prohibitive in the context of the current scale of the Company's operations.

The Company has no material exposure to economic, environmental, or social sustainability risks and this is reviewed annually.

Principle 8 – Remunerate fairly and responsibly

Remuneration & Nomination Committee

The Remuneration & Nomination Committee Charter was adopted by the current Board of the Company to provide the terms of reference for the Remuneration & Nomination Committee. The Remuneration & Nomination Committee's objective is to assist the Board in fulfilling its responsibilities by reviewing, advising, and making recommendations to the Board on remuneration and nomination policies and practices.

Remuneration & Nomination focussed responsibilities of the Committee include determining and agreeing with the Board the policy for the remuneration of the non-executive directors, the CEO and the executive team and the ongoing review of the appropriateness and relevance of the remuneration policy.

Further remuneration focussed responsibilities of the Remuneration & Nomination Committee include making recommendations to the Board in relation to those executive incentive plans that require the approval of shareholders. In making those recommendations the Committee will have regard to the remuneration policy and to the total cost of each plan.

Under the Remuneration & Nomination Committee Charter, where practicable, the Committee will comprise solely of non-executive directors and have at least three members. New members will be proposed by the Chairman and approved by the Board. The Committee is for the time being chaired by Mr. Rob McKelvey and, at the date of this report, the other members are Mr. Ed Fernandez and Ms. Claire Bibby.

Further detail on the roles and responsibilities of the Remuneration & Nomination Committee is set out in the Remuneration & Nomination Committee Charter which is available on the Company's website.

Remuneration objectives

Key management personnel have authority and responsibility for planning, directing and controlling the activities of the Group, including directors of the Company.

Remuneration levels for key management personnel are reviewed annually by the Remuneration & Nomination Committee to reflect individual performance, performance of operating segments, the overall performance of the Group and prevailing employment market conditions. External consultants are engaged as required to provide further analysis and advice to ensure the remuneration arrangements for key management personnel are competitive in the marketplace. Remuneration arrangements for key management personnel are also reviewed upon promotion.

Key management personnel are remunerated through a combination of fixed compensation, short-term incentives (STI) and long-term incentives (LTI). This variable remuneration structure aligns performance of key management personnel with achieving the Company's short-term and long-term strategic objectives set by the Board.

Fixed compensation

Fixed compensation for key management personnel consists of base cash compensation, superannuation, statutory leave entitlements and other prescribed non-cash benefits at the discretion of the Remuneration & Nomination Committee.

AWN HOLDINGS LIMITED

ACN 103 472 751

Short-term incentives

Certain key management personnel and other employees are incentivised via participation in STI arrangements. The purpose of STI arrangements is to reward individual performance in line with the Company's objectives, such that the individual is rewarded in circumstances where they have clearly contributed to a successful outcome for the Company. The contribution of an individual's performance towards Company objectives is measured against a combination of objective and subjective Key Performance Indicators (KPIs) which vary depending on the accountabilities of their respective roles and their impact on the Company's performance. The Remuneration & Nomination Committee also has the capacity to award discretionary STI payments subject to performance during the period. No STI payments were awarded in either FY2021 or FY2020 as the Company has adopted a policy to move away from STI arrangements to align incentivisation with long term value creation.

Long-term incentives

Certain key management personnel and other employees are incentivised via participation in LTI arrangements, specifically via the Long Term Value Creation Plan (LTVCP).

Further information on the Company's LTVCP is set out below and in the Remuneration Report within the Company's Annual Report.

Relationship between remuneration policy and the Company performance

Performance linked compensation includes both short-term and long-term incentives and is designed to reward executives for meeting or exceeding defined objectives. In this regard, during 2016 the Board adopted a revised employee incentive scheme, being a Long Term Value Creation Plan ("LTVCP"). The LTVCP was approved by shareholders at the AGM in November 2014 and an Extraordinary General Meeting held on 17 January 2014.

Under the revised LTVCP, Enterprise Office employees as a group will receive AWN shares to the value of 20% of any outperformance above an average 8% per annum hurdle rate of AWN Holdings Limited's enterprise value (with relevant adjustments for any debt or equity raised or returned), calculated over a five year period. The plan also makes provision for certain Early Trigger Events that may result in an early incentive payment.

The initial five-year period of the LTVCP ended on 17 November 2019 without vesting hurdles or trigger events being met. Upon expiry of the initial five-year period on 17 November 2019, all LTVCP shares on issue were redeemed by the Company at their issue price with the resulting proceeds applied to repayment of outstanding LTVCP loans to participants.

When seeking shareholder approval for the LTVCP in 2014, AWN indicated that successive issues of LTVCP shares would be made every five years. Accordingly, at an AGM held on 28 January 2021, the Company's shareholders approved the renewal of the LTVCP and the issue of a further tranche of LTVCP shares, with a five-year period commencing from 18 November 2019. As at the date of this report, no LTVCP shares have been issued following the renewal of the LTVCP. It is intended that LTVCP shares will be issued to key management personnel during FY2022 in connection with the renewal of the LTVCP.

The Company has adopted a Securities Trading Policy, a copy of which is available on the Company's website. The Securities Trading Policy prohibits Directors, key management personnel and other employees who participate in an equity-based incentive plan from entering into any

AWN HOLDINGS LIMITED

ACN 103 472 751

transaction which would have the effect of hedging or otherwise transferring to any other person the risk of any fluctuation in the value of any unvested entitlements granted under the plan.

Key terms of service agreements

Remuneration and other terms of employment for the executive key management personnel are formalised in letters of offer and employment agreements. These agreements are not subject to a fixed term and provide for both fixed and performance-based remuneration, superannuation and other benefits such as statutory leave entitlements.

These employment agreements may be terminated by the Company or by the executive subject to providing notice in accordance with prescribed timeframes. Notice periods applicable to employment arrangements for the executive key management personnel vary between 3 to 12 months.

The Company may terminate employment without notice or payment in lieu of notice for serious and wilful misconduct.

Share-based Compensation for Non-Executive Directors

From 1 July 2020, two Non-Executive Directors, Messrs McKelvey and Fernandez, agreed to receive one third of their annual fees in the form of shares. On 28 January 2021, AWN shareholders voted to approve the issue of shares to Messrs McKelvey and Fernandez in connection with the Company's Non-Executive Director Fee Sacrifice Share Plan (FSSP).

Following approval, 38,168 shares with an aggregate issue price of \$50,000 were issued to each of Messrs McKelvey and Fernandez, representing the non-cash component of the directors' fees to which they would be entitled for the three-year period ending 30 June 2023, with one third of these shares vesting on each of the first, second and third anniversaries of issue. In circumstances where a Non-Executive Director ceases to be a Director of the Company the unvested Plan Shares held by the Director will be forfeited.

No other shares or options were granted by AWN to key management personnel as compensation during FY2021.

Non-Executive Directors

Remuneration of Non-Executive Directors is determined by the full Board within the maximum amount approved by the Company's shareholders from time to time. Consultation with Non-Executive Directors outside their duties as Directors is treated as external consultation and is subject to additional fees by consent of the full Board.

Aggregate Directors' base fees are presently up to \$250,000 per annum, and non-executive directors do not receive performance-related compensation.
